For your convenience and to keep our streets clean you will see waste receptacles at the Town Hall, the old Community Bank property and at the point. Please feel free to take one bag and leave the wastes in the trash bin. Be kind and only take what you need on your walk so there's plenty for all.

### **Historian Update...**

Be sure to check out the Town website and read the new articles

### **Update from the Supervisor.....**

Representatives from the **Chemung River Greenway Trail Study** came to the Town Community Center on April 22<sup>nd</sup> to share information about their project and get feedback from Residents. It was an informative event and the Residents who attended seemed pleased to be consulted and we all learned a great deal. To provide some context, Three Rivers Development Foundation has been developing a feasibility study for the potential development of the Chemung River Greenway, a community-supported, multi-use trail connection between Steuben and Chemung Counties. This study was intended to assess benefits to health and well-being, safety, transportation, environment, public involvement, and the economy. It is expected that there will be more information to share as the project proceeds.

The Town held a spring break camp for kids ages 6-12 run by **Chemung River Friends**. Recognition of Earth Week was the theme and kids were treated to outdoor activities including hiking, games and nature projects to take home. We are delighted to be planning a summer camp again in cooperation with **River Friends** in August. Information will be available as plans are solidified.

Enjoy the long-awaited warm weather!

Pirozzolo Park is a wonderful place with many activities for all ages. It takes EVERYONE to keep it running smoothly and safe. West Elmira Police work hard at keeping it safe, the Recreation Board works hard at holding activities in the park and the Grounds Keeper works hard at making sure the park is clean for all.

The past few years we have had several complaints and have seen vandalism take place in the park. We are able to view these incidents thru the security cameras. We are asking anyone that frequents the park to please keep a look out and call the non emergency line at 607-735-8600 if they see anything.

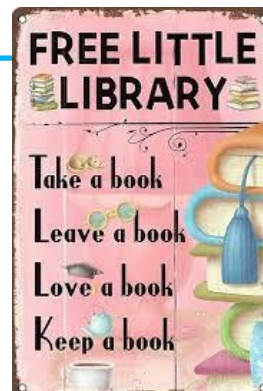

When vandalism occurs, it is the tax payers dollars that go into the clean up.

**HELP KEEP OUR PARK SAFE AND CLEAN!!!!**

Be sure to visit the FREE little library in the park!

Share your favorite books with others and find a book that might become one of your favorites

With warm weather brings reports of car break ins. Be sure to **ALWAYS** lock you vehicles when unattended.

Residents are encouraged to call the non-emergency dispatch number at (607)735-8600 to report suspicious activity.
