News from the Town Clerk....

Dog Walkers

For your convenience and to keep our streets clean you will see waste receptacles at the Town Hall, the old Community Bank property and at the point. Please feel free to take a bag and leave the wastes in the trash bin. Be kind and only take what you need on your walk so there's plenty for all.

Feel free to contact the Clerk's Office for more information at 607-734-2031 ext. 1

All dogs must be licensed within the municipality in which you reside when the dog reaches 4 months of age. Failure to license or renew a license is a violation of the Code of the Town of Elmira and NYS agriculture and Market Law. Any unlicensed dog may be seized and impounded until a license is obtained. If your dog remains unlicensed, you will be cited for violating Town Code and directed to appear in Town Court.

Update from the Supervisor.....

Board Member Ron Allison and I had the pleasure of meeting recently, with Jenn Vaughn who is Project Manager for the **Chemung River Greenway Trail Study**. Three Rivers Development Foundation has been developing a feasibility study for the potential development of the Chemung River Greenway, a community-supported, multi-use trail connection between Steuben and Chemung Counties. This study was intended to assess benefits to health and well-being, safety, transportation, environment, public involvement, and the economy. It will also identify the project area's existing conditions and best practices, as well as explore potential routes and connections. The outcome of this study will provide recommendations and an implementation strategy. This project is funded in part by a Federal grant from the Appalachian Regional Commission. We have invited Jenn and staff to do a presentation later in the month for Residents at the Town Community Center and the community is invited to attend. Watch for date to be determined on the Fire House sign.

"Despite the forecast, live like it's spring." Lilly Pulitzer
